JOIN ACA Qld

Australian Childcare Alliance Queensland (ACA Qld) is a not-for-profit, member-funded association representing the early childhood education and care sector across Queensland.

As the peak body we advocate for the interests of children and families and work on behalf of Approved Providers and operators to ensure that families have access to quality, affordable early learning.

ACA Qld represent more than 850 early learning (childcare) services employing approximately 14,000 early childhood educators and teachers, who educate and care for around 185,000 children and over 250,000 parents in Queensland as a reputable source of evidence-based advice to policy makers and a trusted source of practical guidance to service operators.
